INSTRUCTIONS FOR KEEPING JOURNAL

1. Heading:

a. Unit or Section:

(1) Enter designation of unit if this is a unit journal for regiment, air group, or smaller unit.

(2) Enter designation of section if this is a section journal maintained by a general staff section.

b. Place: Enter coordinates or name of locality.

c. From: Enter date, time, and time zone that journal is opened.

d. To: Enter date, time, and time zone that journal is closed.

2. Body:

a. Time In:

(1) Unit Journal. Enter time information is received within unit. In most instances this would be TOR at unit communication center.

(2) Section Journal. Enter time information is received within section.

b. Time Out:

(1) Unit Journal. Enter time outgoing information is delivered to addressee. In most instances this would be TOD by unit communication center.

(2) Section Journal. Enter time outgoing message is delivered to originator's communication center for transmittal, or time information is transmitted by releasing section.

c. Serial No.: Number each entry consecutively as information is received by keeper of journal.

d. DTG: Enter date/time group of radio message.

e. Incidents, Messages, Orders:

(1) Important incidents, messages and orders are recorded as they are made known.

(2) Although brief, entries must include all vital elements of information, such as what, where, when, how, and who.

(3) Original entries should not be altered, but should be supplemented or corrected by later entries when necessary.

(4) A synopsis of written or oral messages is entered in the journal, leaving the full account for the journal file and other supporting documents.

(5) Oral messages are reduced to writing and processed like written messages.

f. Action Taken: This column is used to indicate administrative action taken, such as, routing to cognizant unit staff officer(s), dissemination of pertinent information and/or filing of message. Some of the more common symbols used to indicate action taken are: "M", posted on situation map; "S", circulated to unit staff; "T", information disseminated to troops or subordinate units; "F", filed in journal file.

3. Ending:

a. Summary: A brief summary of major activities, with reasons underlying decisions, is entered in the journal at the close of each day. This is written in narrative form under the column entitled "Incidents, Messages, Orders."

b. Closing: Journals are closed daily or at the end of periods or phases prescribed by higher authority.

4. Journal File:

Journal file is considered a part of the journal. It contains messages, orders, records of conversation, and other documents supporting journal entries.
