Dr. Phan Ba Vien, Director.

Dear Dr. Vien,

We have the honor of acknowledging your letters No. 1359 and 1362 for First Aid Kit refill drugs and some antibiotics. We are glad to be able to comply with your request concerning the First Aid Supplies but we are unable to supply the drugs requested in your letter No. 1362. The reasons are that we do not have them in stock.

The First Aid drugs are being sent by Bon de Commande No. 2454 and the First Aid Kits by Bon de Commande No. 2455.

Always glad to hear from you; I am.

Very truly yours,

Paul G. Peterson M.D.
