

Only Trujillo

"They took our farm workers  
to go fight their farm workers."

"I joined the service because  
my country called for it."

# Soldados

## Chicanos in Việt Nam

In a war that both exposed and exacerbated racial conflicts in the United States, Chicanos found themselves uniquely caught in the middle - between whites and blacks, whose clashes dominated the era, and between U.S. society's contradictory views of them as both loyal citizens and alien migrants.
