Dear Leon,

The 4th Air America Reunion Thailand was a great success this year and a total of 90 were in attendance. It was again held on the deck of the Chao Jom Restaurant behind Chat/Thu Chak Park between 1900-2300. Plenty of drink, food and music made it a festive occasion and of course the libations sparked many tales of old.

The reunion organizers were Khun Somsakdi Limalai, Khun Pra-kaibook Vatcharaphan, Khun Rayong Sari, Khun Ucha Chuenchai and with the help of many others.

General Pranet(now retired), who was in charge of the Thai Police in the early sixties, came along with the first AAM Station Manager in Bangkok Khun Mana. Khun Pat Landry gave a speech commending the efforts of all AMM employees that supported the effort for freedom in Laos. The following Americans also attended: Jack Shirley, Joe Kerch, Izzy Freedman, Philip Philophowsky, Willy Utterback, Bill Hoyman, and Jeff Johnson. Other faces out of the past were Louie Mosure/ Flight Mechanic and Veera Champanil/ Flight Mechanic shot down with Bob Caron north of Nam Bak.

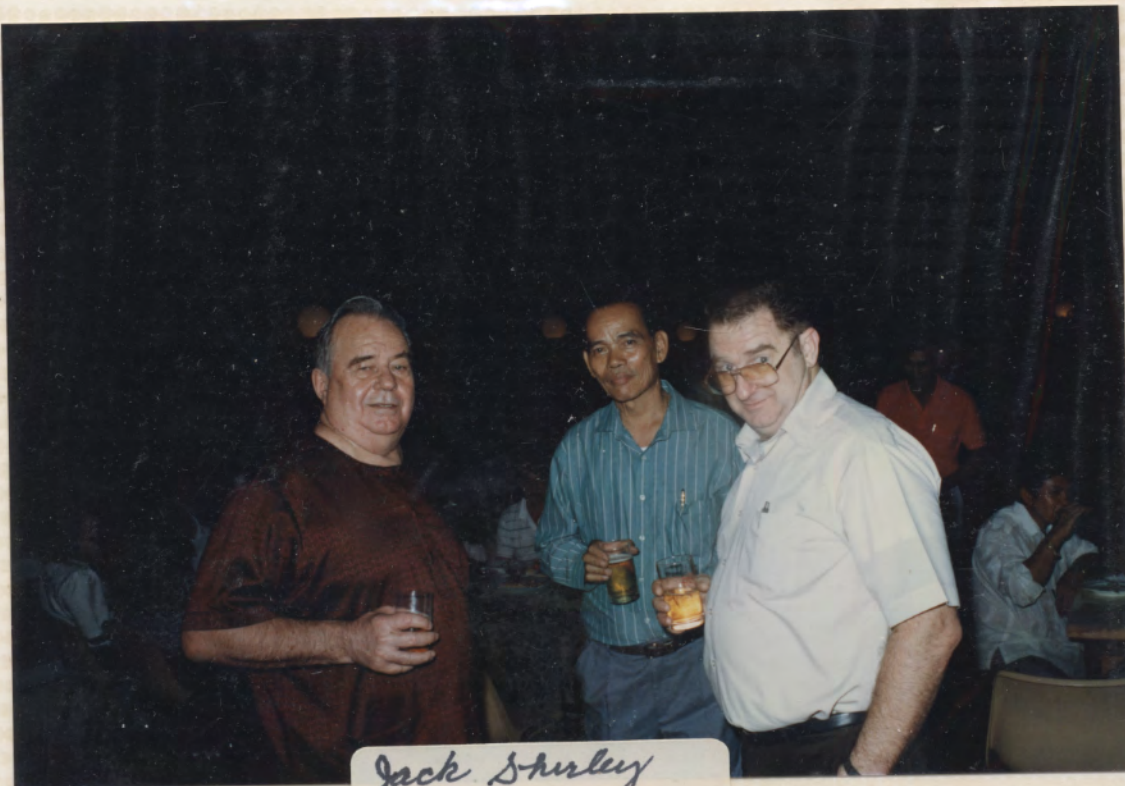

It was announced that the Thai AAM reunion next year would be held in Udorn Thani (T-08), time to be announced at a later date, and the reunion for 1992 was being scheduled by the US Club in Bangkok as outlined in THE AIR AMERICA LOG.

Leon- sending a few pictures along, maybe if you could put a couple in THE LOG it would give the Thai's a good morale boost.

Jeff

# Thais puzzled by \$2 million bank heist

Associated Press Aug 8-92

BANGKOK, Thailand - It may not involve the high-level dirty dealings of larger overseas bank scandals, but the Thai media and investigators are just as puzzled over a bizarre \$2 million bank heist.

Explanations of the June 28 robbery in Vientiane, the Laotian capital, variously involve the United States, the United Nations, Vietnam and Thai drug agents. -

All that is certain is that three men waylaid a bank van in the sleepy former French colonial town, and that the stolen funds were in U.S. currency.

About half the money was recovered Monday near the Thai-Laotian border. Television broadcasts showed amazed Thai policemen counting thousands of \$100 bills piled in neat stacks.

Beyond that, there are only unconfirmed and often contradictory reports on what happened.

Some reports in the Bangkok press have described the robbers as officials at Laos' national bank. Others have them wearing Laotian military uniforms and last seen driving from Vientiane toward the Mekong River border.

Thai authorities say they have arrested three suspects, identified as Thai policemen, but these were probably not the robbers. Police Maj. Gen. Somsak Saibua, who is leading

the investigation, said Wednesday that eight more suspects are at large.

Laotian authorities have arrested 13 people, according to the Bangkok English-language daily The Nation.

A Thai provincial governor said Dr. Siho Bannawongse, the deputy governor of Vientiane, appealed for help in tracking down \$2 million in stolen U.N. aid. But U.N. officials in Laos disclaimed the booty.

According to diplomats in Vientiane, the money may have been part of an interbank transfer between Vietnam and Laos.
