AIR AMERICA ASSOCIATION

CALIFORNIA OR BUST!

AIR AMERICA REUNION

JUNE 5, 6, 7, 1998

BERKLEY RADISSON MARINA

Reunion Host: JOE MISH

Make your plans early for the Air America Reunion in Berkeley, California, June 5,6,7, 1998.

In addition to signing up for your room and banquet reservations, it is time to make plans for the activities you are interested in. Some lead time is needed so that we can commit to reserving charters, buses, etc. The time for our reunion is one of the busiest for the bay area.

Deltours (whose brochure is enclosed) will have a representative hosting a hospitality desk for the Air America members for on site tour sign-ups and to answer questions. Deltours will also contribute 5% of tour income to Air America.

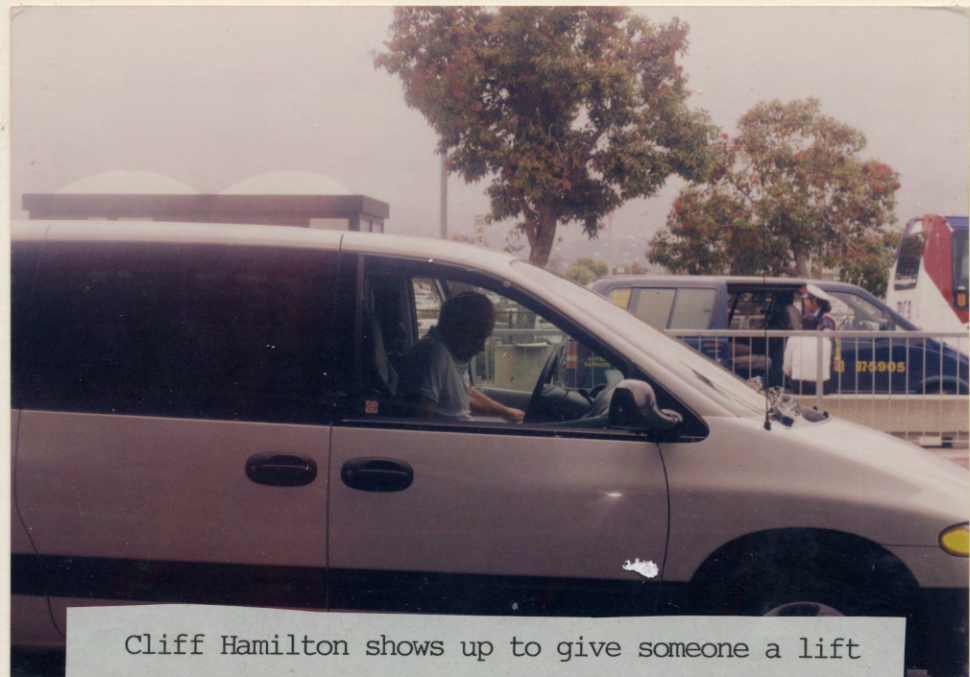

Let us know what you want to do. Look over the suggestions on these pages. How about a sunset cruise on the Bay? A Sunday afternoon tour of the Pyramid Brewery? Napa Valley on Friday? **Speak up!**

- **RADISSON BERKELEY MARINA** - This is the only hotel in the entire Bay Area that is on the water. They have a nice bar where you can sit and watch the sun setting over the Golden Gate Bridge. The hotel has recently changed ownership so please don't be confused if taxis, etc. still refer to it as the Marriott. The hotel van will get you to the Bay Area Rapid Transit (BART) for trips to San Francisco and to restaurants and shopping in the hotel area.
- **BERKELEY MARINA** - The Berkeley Marina is a very attractive area for walks, with views of San Francisco, Oakland, the Golden Gate Bridge, racing sailboats, and the boat harbor. You can rent a sail boat, take sailing lessons, walk out into the bay on the mile long fishing pier, catch a fish, fly a kite. "Skates" and "His Lordships" are bar/restaurants within ten minutes walking distance from the hotel. The very popular "Skates" is built out over the water.
- **BERKELEY** - There is a city bus line that goes by the hotel. Close by is "Fourth Street" for good shopping and good eating, namely "Spengler's" good seafood/landmark, "Betty's" great breakfast and lunch, "Ginger Island"- across the street with no waiting, "Ochame" - Japanese cuisine. "Piquante" on 6th street is an excellent, medium priced Mexican restaurant, Chili Rellenos Y Dos Equis! Also close by is the Pyramid Brewery, good brew, good food, and a brewery tour (samples). The University of California and the Telegraph Avenue/Sather Gate freak show and head shops are up University Avenue. "Chez Panise" is in Berkeley and is rated as one of the top ten restaurants in the country. The best Thai food in this hemisphere is "Nakapan". Up in the hills behind Berkeley is Tildon Park with its miniature railroad, a beautifully preserved merry-go round, hiking trails, views of the Bay Area.
- **OAKLAND** - Jack London Square, Oakland Museum of California, a large Chinatown, Oakland A's will be playing at home during the reunion (510-762-BALL).
- **SAN FRANCISCO** - Fisherman's Wharf, Pier 39, Union Square, Cable Cars, China Town, North Beach, Market Street, The Embarcadero, Alcatraz, The Golden Gate Bridge, Museum of Modern Art, the sprawling Golden Gate Park has the Steinhart Museum/Aquarium, Buffaloes, the Arboretum, The De Young Museum, The Conservatory - a huge Victorian greenhouse, and Ocean Beach. The Fleischacker Zoo is not far from the park. The Palace of Fine Arts and the Exploratorium, unique, a very worthwhile experience. The Giants baseball team will be at home June 1,2,3 & 8,9,10 (415-467-8000). San Francisco Helicopter Tours (510-635-4500). You can BART to Market Street, Cable Car of Light Rail to Fisherman's Wharf/Pier 39, Alcatraz. For the best dim sum you will find anywhere is at the "City View".

I never thought I would live to see this group of conservatives show up for a reunion at BERKLEY, CA.

OAKLAND, CA. AIRPORT

Dear Members,

I would especially like to express my thanks this year for the number of pictures I received from all of you. This was the biggest response I have received in the eight years I have been doing the picture books.

As usual I received pictures from Dan Gamelin (via Stan Pelszynski) and Chauncy Collard. This year I would also like to thank Uyvonda and Jack Slager, Bill Collier, Vince Clarke, and the entire John McRainey family, especially Barbara Mcrainey Thielen. Barbara got enough close-ups on name tags that my job was made easier this year.

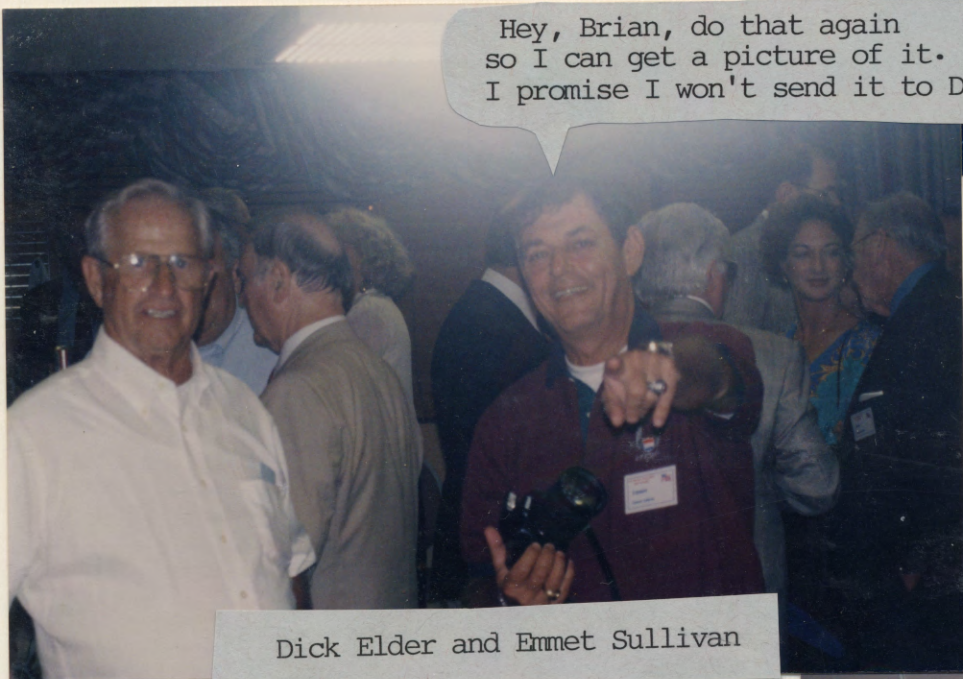

Thanks again,

The picture book guy

Duane Keele

Hey, Brian, do that again so I can get a picture of it. I promise I won't send it to Duane.

How did this get here???

No matter how nice the hotel, no matter how good the planning, the key to a successful reunion is the people who attend. So let us take a look at who is in attendance at this years gathering.

Well, we'll do the best we can with what we've got.

As usual people start showing up days in advance of the actual reunion time. Things get rolling with a stop at the bar for some refreshment and then the old friendships are struck up again. It is a rare reunion where some new friendships are not made.

Besides the hospitality suite, another room receives a lot of unusual goings on during the reunion. This year was a particularly active one. So lets look in on Dan and Ed and the crowd.

Well its Friday night. The days have rushed by for those of us who arrived early. For those who arrived today, it is only the first night. We all realize, however, we only have one more night before the reunion is officially over, and we strive to cram as much companionship as we can into these next 24 hours. Saturday will begin for some with breakfast in the Marina's restaurant. For others it will start with a cup of coffee and a handful of aspirin....

There weren't many pictures of Sunday morning. Guess everyone partyed too hard this reunion. Oh well, I think Jesse's eyes pretty much sums up Sunday morning. Many left for home or other destinations Sunday. Some stayed over a few more days to re-coup or visit a while longer, but officially the reunion had come to an end for 1998. A good time was had by all I spoke with. See you in Lafayette, La. in '99.

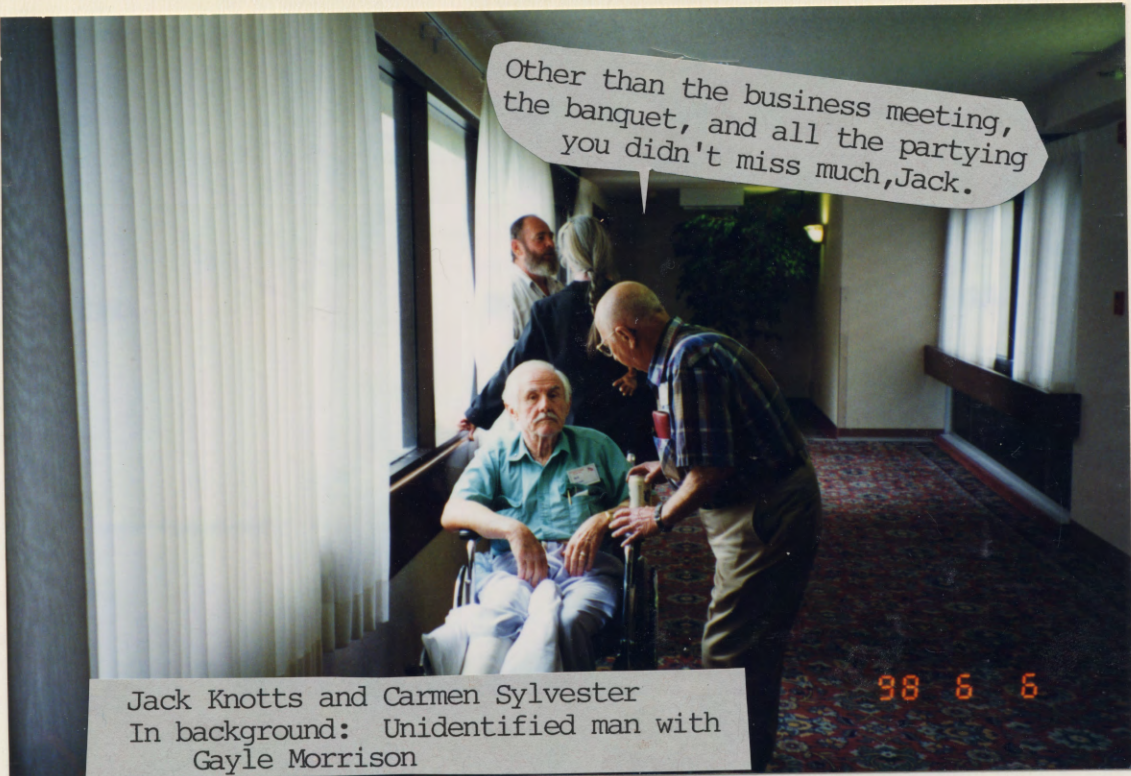

I gotta clean up, lady.

I'm not leaving til I read every one of these books.

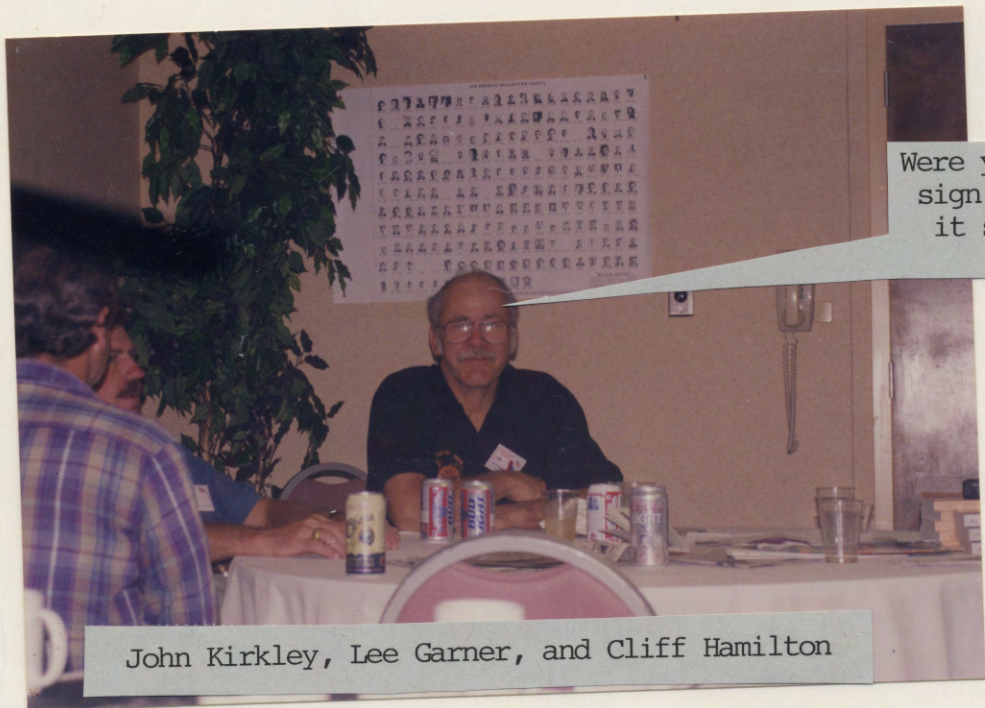

I'm never gonna get this stuff packed up to go home.

For the last few years, I have dedicated a page of this album to the memory of our members who have passed on during the preceding year. Since I have been doing this, I have never had to print so many pictures as I will be doing in this album. It is with deep sorrow that I now print these pictures of past reunions. However, they are of joyous and happy times passed.

I thought that Jack Porter, Jr. attended the reunion in Dallas in 1987, but I could not find his picture.

I probably have a picture of Ed Yarbrough attending the reunion in Dallas in 1996, but I do not recognize him. Maybe I can get some help with this at the reunion.

Lowell Zinn Pirkle was laid to rest in Arlington National Cemetery 31 years after his death in northern Laos. Although not killed while on active duty, due to his family efforts his final resting place will be where America's heroes lie.
