Mr. President:

Herewith the memorandum from Dick Helms which you requested.

The specific questions you wanted answered are on pp. 6-8.

I am asking him to do a supplementary memo on what the balance of advantage and disadvantage would look like if there was no major pressure across the DMZ (see para. 18).

I believe Sec. Rusk and Sec. McNamara should be asked to comment on this paper, to you; but I will not send it to them unless and until you indicate you wish it discussed.

W. W. Rostow
