Mr. President:

A conference call is being arranged at 5:00 p.m.
our time this afternoon between you and Amb.
Bunker and Gen. Westmoreland.

The call will be on an open line because
while Gen. Westmoreland is in his headquarters
at MACV, Amb. Bunker is in his house. It is
dark in Saigon. Gen. Wheeler believes it would
be unwise and unsafe to ask either of them to
leave his quarters at the present time to
join the other.

Unless you rule to the contrary, we shall go
forward on this basis.
