MEMORANDUM FOR WHITE HOUSE SITUATION ROOM

Subject: I Corps Road Status

The following information is provided in response to Mr. McCafferty's questions:

a. The Hai Van (Ai Van) Pass is open. The bridge reported blown at 080800 EST has been repaired. No enemy activity reported near the pass.

b. Highway 1 from Da Nang to Dong Ha is open, except at a point just north of the Ai Van Pass. There, a large culvert was reported destroyed at 112000 EST (120900 SYN). The estimated time for completion of repairs is unknown. However, MACV advises that it is a relatively small engineering task.
