Mr. President:

Between 0100 this morning and 0100 tomorrow morning, the following troop movements by air to Vietnam are scheduled:

- 27th Marines, El Toro, California, 12 flights with 648 passengers;
- 3d Brigade, 82d Airborne, Fort Bragg, 18 flights, 564 passengers.

After today's departures, there will still be 1594 Marines still to go from the West Coast and 2185 Airborne troops still to go.

Therefore, there would seem to be no problem about arranging a departing group as a backdrop for your presence at either place.
