Mr. President:

Bus Wheeler called to report as follows: Westy's offensive along Route 9 to Khe Sanh has begun. If it goes well, he would feel quite comfortable going to the meeting. If it should run into difficulties, however, he would not like to be out of his headquarters. He will know by Thursday, his time, where he stands.

The question is: Can we wait as late as, say, Wednesday night here before making a final decision about his going to Honolulu? Bus would like to send a message to him tomorrow morning.
