Morning reports and personnel rosters are available for most Army organizations beginning with the year 1912; however, they were discontinued in 1974. EXCEPTION: Personnel rosters for the years 1944, 1945, and 1946 were destroyed in accordance with the General Records Schedule.

Morning reports are available for most Air Force organizations for the years 1947 through 1966.

Morning reports generally contain the name, service number, and rank for those members of the unit who experienced a change in duty status such as discharge, death, temporary duty, absence, return from absence, reassignment, period of hospitalization, etc. They rarely show specific details about a unit's activities or movements, nor do they reflect accidents/injuries that did not result in the hospitalization of the individual(s) involved.

Personnel rosters were prepared on a monthly, quarterly, or semi-annual basis and generally list the name, service number, and rank (but not home address) of all members assigned to the unit on the date the roster was created.

This Center is unable to perform the extensive research you have requested because of staffing and budget limitations. If you wish to verify a specific event or personnel action, please furnish the month/year in which it occurred and we will conduct a limited search for the desired information.

Additional information is needed in order to locate the requested records. Please provide the items indicated below and resubmit your request to this Center for a further search.

This Center is prohibited from releasing prison records except to the U.S. Disciplinary Barracks, Fort Leavenworth, KS. We are, therefore, referring your request to the office shown below for a determination of releasability.

The Department of Defense Privacy Program, 32 CFR 310.41(d), prohibits the release of the home address of current or former service personnel. We are unable, therefore, to furnish the information requested.

A search of micro Film for the 109th QM Co produced a April 1967 and a Sept 1967 Roster, there were no Roster for June 1967.
