

(a) Convoys. The 25th Military Police Company assumed the mission for escorting the CU CHI - TAY NINH Convoy from the 3/4 Cav on the 8th of November 1967. The unit's mission includes designating the timing, speed, density, order of march, and action during enemy attacks. The average number of vehicles in the convoy each day during the reporting period was one hundred and thirty-five (135).

(b) Joint Police Patrols. DAU TIENG Patrols were initiated on 6 November 1967 and TAY NINH Patrols were established in 23 November 1967. Joint Mobile Checkpoints consists of

U.S. Military Police, ARVN QUAN CANH, and GVN National Police organized for the purpose of controlling population and resources and:

1 Conduct thorough searches of persons and vehicles to interdict VC movement of personnel and supplies.

2 Control traffic to reduce accidents and expedite the flow of traffic.

3 Render whatever services possible to promote the health and welfare of the people.
