Shed 4-23
4-23
22nd
provision

In the middle of January, 4-23 INF (M) engaged elements of the 1st Battalion MR-4 in a 2 day action in the lower Ho Bo. The 4-23 INF (M) never penetrated the base area completely, but inflicted heavy losses (49 KIA (BC) on the entrenched enemy. The build-up of MF units within the TAOI was indicated again when the 2-27 INF engaged the Reconnaissance Company of the 272nd Regiment in an all night battle just south of the Saigon River in the Mushroom. A prisoner taken by the 2-27 indicated that the 272nd was to move into the Cu Chi area and conduct operations beginning in early February. The extent and importance of their mission became dramatically evident in the next several days.
