HAPPY BIRTHDAY

B Troop 2nd 17th Cavalry Association

.....16 Great Years.....

President's Message

by Jim Matthews

Dear Fellow Banshees,

The time is getting close for our reunion in July.

As you have probably already heard, we have having our yearly get together at Ft. Campbell this year so we can maintain ties with the active unit. Fortunately, this year is the first time that we will be there without the troop being deployed as it has been in the past.

You have probably also noticed that there are several other things different with this reunion. First of all, it is being held in July instead of in September. Due to other conflicting events we had to move the reunion up a few months.

We have also changed the reunion days, from Friday, Saturday and Sunday format to include Thursday, Friday, Saturday and conclude the reunion with the dinner meeting on Sunday.

This years reunion is planned for Thursday July 26th thru Thursday July 30th, a full five days to reestablish relationships with old friends. I hope these new changes can accommodate some of the newer members and we see a lot of newer faces at this year's reunion.

Sincerely

Jim Matthews – President.

Vice President's Message by Bill Crawford

Welcome to all!

I want to thank you all for the votes. I will try to do a great job for you, as you know Dave has been doing a great job for 9 years now, so I will give it a good airborne try.

To make this year a successful reunion and a great time, will all will have to get on the phone and mail outs to each and every Banshee that you can get in touch with to come. Like I said before time is getting short for all of us.

We had five to six new Banshees at last years reunion so if we can make it ten this year that would be great so, lets all give it a try.

Dave is trying to finish setting up the hotel for us, so we can pass it on to you.

The Dinner will be posted soon, and the date for the cook out with current B Troops Soldiers.

We still have a lot of work to do, before Dave and Jim did it all.

It has been ten years since the Association was formed, GREAT JOB TROOPS..... Also we need to work on Banshee Membership, and get more members signed up.

Heard on the Internet

A blind man wanders into an all girls Biker Bar by mistake. He finds his way to a bar stool and orders some coffee. After sitting there for a while he yells to the waiter, "Hey, you wanna hear a blonde joke?"
The bar falls silent. In a deep, husky voice, the woman next to him says, "Before you tell that joke, sir, I think it is only fair...given you are blind...that you should know five things:

1. The bartender is a blonde girl with a baseball bat.
2. The bouncer is a BIG Blonde girl.
3. I'm a 6-foot tall, 175 pound woman with a Black Belt in Karate.
4. The woman sitting next to me is a blonde professional wrestler.
5. The lady to your right is blonde and is a professional weightlifter.

Now, think about it seriously, Mister. Do you still want to tell that joke?
The blind man thinks for a second, shakes his head no, and mutters, "No...not if I'm going to have to tell it five times.
