~~CONFIDENTIAL~~

MEMORANDUM FOR JOHN MACY

I was in Connecticut last Saturday and I saw Mr. and Mrs. Salzman, who was suggested by Abe Fortas for an Ambassadorship.

As I told you before, Mrs. Kintner knew them but I knew them only slightly. I found them both extremely attractive people; well educated; strong supporters of the President--in fact everything that Abe Fortas said about them. They both have traveled extensively; he obviously was very successful in the paper business; and is now retiring.

They have invested more as a hobby in certain off-Broadway productions. As Fortas said, I would consider him a good candidate for an Ambassadorship.

We happened to talk about Vietnam, and he supports the President's policy.
