CORCORAN
YOUNGMAN

CONFIDENTIAL
MEMORANDUM FOR: Marvin Watson

This is a reminder about Larry O'Brien. The Irish Mafia, not overly fond of him these days!, tell me the Boston Traveler has sent a reporter to Springfield who reports back Larry is not registered as a voter or resident in Massachusetts.

This may be inaccurate but, as I indicated on the telephone, it should be checked out, and an answer should be ready if Larry is to be the candidate in Massachusetts against McCarthy.
