

Dear President Clinton

June 1999

Aloha!

This Vietnam Veteran Returned Home to America After My Vietnam  
& 30 Years in Hawaii. Especially to Visit Vietnam Archives  
In Lubbock, Texas. (Amidst The Important Information World Wonders)

I Dedicate \*Red, Red Rain To Veterans & Victims Of Vietnam  
through Vietnam Archive. I Respectfully Desire And Intend  
To Convey True Experiences Of Honor, Courage & Commitment  
By Most Vietnamese Nationals And Americans I Knew or Witnessed.

Honest Cooperation, Sacrifice, Bravery, Trust, Loyalty & Friendship  
During Relentless Deaths, Disasters, Inconcievably \*\*Dire Betrayals,  
Chaos & Unjust War. Soul And Blood Kinships! Irreplacable Losses!

Strengths That Now Honor America With Millions Of Citizens USA,  
(Veteran Or Not) Vietnamese Americans And Vietnam Veterans.

All American Forces, Vietnamese & (Combined Teams) Suffered And  
Endured Countless Hells & Betrayals. Together & Alone, We All Paid For  
Freedoms We Call Democracy. Freedoms Enjoyed & Lived In America!

Paid By Veterans And Victims In Vietnam. (All Veterans) \*\*How Many  
Operations & Records are Lost, Destroyed, Betrayed? One Is Too Many!

Consider USA Chemical Warfare Damages In Vietnam War. Decendants,  
Veterans and Victims Still Burn & Die in Pain. USA And Vietnam.

Therefore I Seek Your Attention For Positive Direction & Results.

North & South Vietnam & America, All Lived & Died In Vietnam War!

With All Due Respect, Mahalo Nui Loa & Sincere ALOHA
