VIETNAM BUDDIST MONKS

Considering All Other Horrors of This War. Most Difficult for Me to Witness Or Comprehend. Buddhists, Monks & South Vietnam Protest Against American Invasion of Vietnam & Corrupt Leaders Of South Vietnam.

America's Puppets (Junta) Government. Myself, One US Navy Enlisted. Our Teams Work Mostly in I Corps Area Rivers & Coastal (Sojourns) Patrol. With Occasional Long Range Orders, Often Betrayed. Once Exiled by Command. All Orders, Duty & Self Survival Requires (COMSHAW WORK) Bribes & Revenge.

Including Daily Or Monthly Orders For Rescue, Salvage Operations. Teams Complete Several Operations to Other Corps Areas & Cambodia & Laos!

Our Team & I (Wander) Around Vietnam War Zone According To Orders, Situations, Survival & Accident! Never Yet Harrassed by Mobs of Vietnamese Ruling South Vietnam with Fire, Violence, Riot, Terror & Sabatoge. I Hide!

America & Vietnamese Governments & Military Leaders are out of Control with Greed, Corruption, Deciet, Internal & International Betrayal & Denial.

To Protest The Corruption & Persecutions Buddhist Monks Soak in Gasoline & Burn Themselves To Death. Buddhist Do Not Kill! Not Food or Selves!

A Violent Prayer to America & The World To Take Action & Notice! Stop Murders of Buddhists & Vietnamese. Stop the War & Invasion of Vietnam!

The Buddhists & Monks are Not Crazed Fanatics. They are Respected Leaders. Calm, Educated, Intelligent, Concerned Human Beings. Dedicated To Prayer, Hope, Freedom, Peace & A Future for All Vietnam. Inclined To Study Religions & Humanities, I Consider Myself A Buddhist, Results of My 4 Years in Japan. We Visit Temples & I Always Talk With Buddhists & Monks Every Opportunity.

My Vietnamese are Excited about an Event. They Invite Me Along. I Accept Without Realizing They Haven't Mentioned Exactly What the (Event) IS. Not Unusual for US. We Can't Plan Ahead Because it Could Cause Our Death. A Huge Crowd Is Gathering. I Have Not Seen This Many Vietnamese Together. Certainly Not Without Riots, Fires, Panic & Chaos. This Mass is Strangely Quiet, still & Packed as Close as Possible. Hundreds of Monks in Robes Surround Several Monks Kneeling in A Large Empty Traffic Intersection.

My Vietnamese Open A Path through the Crowd Just for Me. I Am Completely Amazed at the Polite Ease We are Offered Front Spots. Near the Monks, All Calm. I Didn't Know Until I Smelled Gasoline as it Poured Over The Monks. Buddist Began A Quiet Prayer Chant. Crowd Took Over. Instantly, Several Thousand Voices Chanting In Unison. I Made Eye Contact With One Monk. He Smiled At Me, So Calm & Peaceful Reality Couldn't Set IN Yet. He Took Something From A Monk & Held it Close. Hands Together in Prayer. Still Smiling He Lit A Match! There was an Incredible, Explosive Roar From The Crowd, Fire & Gun Fire! I Want To Put the Fire Out. Vietnamese Military & Police Firing at a Panic Stricken Mob! People went Wild, Stampeding & Trampling Monks & Everyone. All IN Seconds. The Monks Still Sitting, Burning Didn't Fall Or Make a Sound. A Calm Smile Of Peace On his Face. He Could Not Possibly Still Be Alive. For Some Reason I Could Not Move, My eyes & Mind Centered ON This Monks Eyes & Smile! \* His Body Burned To A Charred Corpse. Try It For Me American War Protesters.

A YOUNG MARINE WALKING AROUND, NO INJURIES VISIBLE, FNG, CLEAN, UNIFORM,  
SHINY NEW BOOTS, NOT OLD ENOUGH TO SHAVE. I ASK HIM. "WHY ARE YOU HERE?"

" I Don't Know. I Just Woke Up. I Must Of Fainted From Heat Sir."

I Gave Him Water, Salt Tabs & Told Him To Help Me With These People.

When He Turned Around To Look Where I Pointed, I Realized  
There Is No Uniform On His Back. No Flesh. Only Burned, Charred Bones.  
He Looked At Me As If I'm Crazy When I Shouted "Lay Down On Your Stomach  
Right Now!" I Had Just (Tuned Him Up) & Called Him Much Worse Than Lazy.  
I Said. "Your Back Is Badly Burned, Doesn't It Hurt? I Asked His Name.  
He Said He Didn't Feel Any Pain. His Back & Legs Only Feel Asleep.  
He Kept Mentioning He Don't Like The Heat & Humidity. His Name Is Jimmy.  
Bright, Polite & Cheerful. The Paper in His Pocket Said. (Burned To Death)  
Transport Plane Crash Danangs Air Vietnam. Many Did Not Get Out The Door!  
Young US Marine Helped Save Others In His Great Marine Corps.  
Hours Later He Walked, Talked, Smiled & Dead, He Got In A Body Bag & Said.  
"I AM KIND OF SCARED! Do You Think I'm A Coward like You First Said?" "NO,  
NO, MI AMIGO. I COULD NOT KNOW. THIS PAPER SAYS YOU'RE A REAL MARINE HERO.  
IT SAYS YOU SAVED MARINES LIVES & TRIED YOUR BEST TO HELP OTHERS THAT DIED.  
YOU GET MORE THAN MEDALS OF HONOR. IT IS YOUR TIME & GOD REALLY WANTS YOU!  
Your War Is Over, You Are Going Home Today." All He Said Was "Hey A OK!"  
I Can't Help But Realize, If His Honor Was Not True, I Would Have Lied!  
Today I Begin To Hate & Curse Them for Getting Hurt & Dieing In My Arms.  
We Rescue Them, MED EVAC & DOCTORS Save Them, America Returns Them To War!

MANY AMERICAN CASUALTIES ARE TEENAGERS!
