

Blue Bird in Silver Maple

December 27

Dear Dee,

It was so good hearing from you. I hoped you would write cause I lost all our addresses between Alabama and Kansas & I can't even think of your old address.

Was really relieved to hear that you and the girls are happy to be in Argentina. I've thought about you often and feared you'd be displeased that you had decided to go.

David left the states
October 1, and is located
near Bien Hoa. Tom
Erby is also there.

We are going to meet
in Hawaii the first
week in April. Can
hardly wait. I'm very
envious that you and
Barry will be meeting
soon.

I'm still living
with my parents in
Albion and working
as a secretary in a
small general foods

office here.

Let me know about
all your South
American adventures.
Is your sister still
there.

Say hi to the
girls and Barry for me.
Where is Barry & what
is his address?

Sincerely,
Gail
