Dear Dee,

Gone to home you stay
with us. Home loads of
room.

The V. K's stayed while
they got a house in S. F. We
had a ball.

Let us know when
your plane comes in at
S. F. + I'll can pick you
up. I imagine you are
going to stop by coming
back from R + R. We really
will be tickled to have
you too, so take your
pick, either way you
can't lose. Just as long
as we can all see each
other again + have a
few "drinks & winks".

V-CILLIN K[®] for consistently dependable clinical results
POTASSIUM PHENOXYMETHYL PENICILLIN

I'm right across
the street from a big
Penny's + have a charge
acct. if you want to
shop there. Be my
guest till your allotment
comes.

It's colder than peak
here, + of course the
coldest in years + that's
cause I told Wmole
"it doesn't get real cold
in S. F.". I'm going up on
the bus next week with
the kids for the stay +
may stay over night at
the P. S.'s. The kids are out
for vacation till the 2nd for.
Hope I last that long.

Bill fell + broke
both wrists last month
+ he gets the cast off his
left arm next Fri. He
got the one off the right
one two weeks ago.
He's just fine + the casts
didn't slow him down
one tiny bit. He's sitting
here treating his face
right now.

All the kids are fine,
will try to make
them clear their rooms
today, H. + K got theirs
done + B. + E. are still
fighting on to what
belongs to who.

Still have loads of
shopping to do as usual,
but goodness the shopping

Center in so close by.

Tell Barry to get
you one of the Japanese
- Polaroid cameras. It's
called a "Hemeroic", take
shitty pictures but any
one hole can work one.
(My sister-in-law wrote
me that one, ~~but~~ kind a
silly)

The V. A. s come & left.

Wendy & I went up to the
shop. Center & looked at
all kind of goodies. I got
Hath's presents, cake, slip &
P. J's. Couldn't talk them
into dinner, they had to
visit one of Auntie's class
mates.
See you soon, can
hardly wait. Love Viola
