

Dear Sue -

Just popped in to Niles -
got your note & saw I'm
doing sooo bad on the
letter writing dept I decided
to scribble a few words to
enclose -

I simply thrilled to
learn that you will come
for a visit after R.R. -
You'll be in time for Kandi's
birthday - we'll really have
to celebrate - with the boys, I mean

PENICILLIN K® for consistently dependable clinical results
POTASSIUM PHENOXYMETHYL PENICILLIN

we have a great "flat" in
San Francisco - can't get
quarters for a year with
love our flat too - lots of
"character" - son 5 or 6 old -
7 mos - so you won't be coming
no at all! - Plan to stay
just as long as you can - I
stayed in Calif 2 weeks after
Bret Herd & I really felt
it made the "joint" worth it
- it'll cost so much anyway
you may as well spend it - Hawaii
so where you'll spend the rest -

V-CILLIN[®] for consistently dependable clinical results
POTASSIUM PHENOXYMETHYL PENICILLIN

but we'll take care of you
in California re: room & board!

Am real excited - sure will
be fun - I need someone to
trust my confidence to drive
down to Nolas' too - these
funways are good!

Smashy DeLabs was here
last week - She's in & A - so
yesterday we went for a drive
& I flaked on door egg -
Still have 3 to 8 of 'em - will save
them for you okay -

Hi Mom I am ready to go
down to the shopping center -
I have even thought of it as
crazy shopping so I
may not get around to
another letter for a while
but I want you to know
I've delegated all the (can)
Grocery stores are about
your visit to Calif - Of course
Nawari will be pretty nice too!
If I can help at all just ask!

Knew the holidays in SA
will be different - something
to tell your grand children &
us - Have a wonderful
holiday - my best to your
folks - loads of hugs & kisses
for Beth & Ann -

Take care - See you
in about six weeks - Great -

Love in Staff

Wendy
