Dear Daddy

We are in Buenos Aires.  
We took a train.

We saw a lot of cows.  
We will buy pizza.

We are going to sightsee  
for 3 or 4 days & just have

good time. Beth is so excited  
she can hardly wait to start  
tomorrow on all the historic  
sites she has studied in

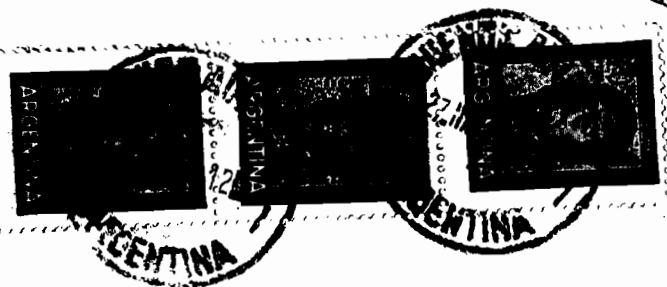

school. If Anne gets to  
tired Steve will be able  
to take Beth around so  
she won't miss anything.  
Hope you dog's mind  
is just taking off but this  
was a once in a lifetime  
chance & I took it, we  
may never get to B.A.  
again. Anne maybe  
a little small but  
Beth will remember  
everything well some  
anyway.

We will miss you  
letters this week but they'll  
be there when we get back,  
besides Mama & Papa can  
have a rest. Love ya lots  
Steve
