Dear Barry,

It is all here except Beth
& Anne have slight colds & don't
really feel up to snuff. I've been
suffering from a cold with sickness
& hope I will keep up.
Course that you have been
sick so much in the states
that I am hoping they got
over it for awhile & will
only have little thing now
you.
Got a letter today saying
you were waiting at RAF
but that you weren't
sure you were going to
take what you could get, &

hey anything would be better
than nothing, hope you can
get to just do. By the
time you get this you will
be back & have had a wonder
ful time no matter what
but since I don't know...

The man here to see about
Papa's work asked me to
go shopping with him to pick
out stuff for his kids cause
he doesn't speak the lang-
uage, boy well I'm a
help & I'm Spanish
too, course I do know
where to go but that's all.

Anyway we had a good
time & he got some nice

3

things. Steve went too
cause he still has a few
things to get before he
leaves & this is a perfect
opportunity to look & pick
up some stuff. Mr. Finard
(the man) wants to go to the
'Christo' but I just don't
think I could make the
trip again & besides the
girls don't feel well & may
be cranky & I need to care
for them so that is a good
excuse.

That's all for now I
love you & am so happy.
You get to be away from

things for a few days. The
passport business for you
should go through just fine
& by the time you get this
& are back from R+R you
should have orders. I am so
excited & anxious to get "home"
(that's all of us together).

Take care no one wants
you more than we do & Beth
is starting to count week which
is such a good sign.

Love ya lots
Dad
