Dear Dee,

Susan Margo received one of her first gifts in the hospital, yours! She'll be having many happy hours enjoying her mobile.

She was born at 3:56 PM, only $2\frac{1}{2}$ hrs. of labor, 20 inches long, red hair and from there she takes after Steveness!

I have so much to write and tell you

and will do so as soon as I gather my scattered brains!

Hope you, Beth, & Jennie B. are enjoying Argentina. Don't hesitate to write either!

Take care and thank you ever so much for your thoughtful-ness. Tell Barry hi! Steve is now in Cuba.
Love,
Andrea

Thank You
