Dear Barry,
Am enjoying my visit with Wilma and Betty Lynn. We've gone just as fast as we could go since I arrived Sun. morning. Today Betty and I go to the Museum of Fine Arts - yesterday we toured the Astradome. Sun. Wilma & husband drove me over 160 mi. in Houston and vicinity. Tonight Wilma and I are going to a good show. Wish you could go with us. Do hope all is well with you. I never forget
