

But it was about twenty years ago the Recreation Commission induced Vincent Bellew to head up the Recreation Program in Eastchester. At that time, Mr. Bellew was on the teaching staff of the United States Military Academy at West Point. No stranger to Eastchester was the man who was to head up the program. He was born in Eastchester and a graduate of the local schools. Voted the outstanding athlete of Eastchester High School during his school days, Mr. Bellew was later graduated from Savage School of Physical Education and came back to coach at both Tuckahoe and Eastchester High Schools. During World War II he served as Chief of Physical Conditioning in the European Theater of Operations. After the war he taught and coached at West Point.

In the past twenty years there has been a marked growth in

over 100 years
