REPLY TO
ATTN OF: Colonel Frederick D Good

SUBJECT: Christmas Greetings

TO: Commander
3rd TAC Dispensary
APO San Francisco, California 96227

Dear Sir:

Some of your personnel will probably receive Christmas Greetings from members of the 23rd Medical Service Squadron. This is a 165 man reserve unit.

The Executive Officer, Major Joseph Davis and I completed a tour at Kimpo, Korea, during the war. As the hospital commander, I have no memory of any stateside unit recognizing our mission.

The 23rd has a large number of combat veterans and we would like to establish liaison with your organization. This could possibly be organized to a point whereby we could furnish items needed by your personnel and we could get recommendations which would improve our training.

MERRY CHRISTMAS and may your NEW YEAR be spent
in a more pleasant environment.

Sincerely,

Frederick D Good
