

GEORGETOWN UNIVERSITY

School Faculty
School of Foreign Service

Dec. 12, 1988

Mr. William Colby, ESQ.

Dear Bill:

You were very kind to come over to talk to our kids on ethics and foreign policy. Yours was the best session of the fall term.

By now you have probably already seen my piece on the coup. I have been meaning to send a copy sooner, but the school work is quite overwhelming right now.

With every best wish for a relaxed holiday season,

Sincerely,

Francis X. Winters
