Dick,

Here is a copy of The Video and a Brief Letter describing whats in it

First Part Air Raid along River Just Beyond Tree Line and Footage of Area.

Person putting papers in Trash is Ronald Huckok cleaning his locker out getting Ready To go home later you'll see him with a Folder cleaning post, waving good buy getting into Jeep and going out to flight chopper at end of Video is carrying him off to downing to catch his flight home.

Person that turned and looked at camera appeared to be shoveling was Scott Rawstrom he was on KP that Day. We called him 'Joe Rocket' and was terrified of Bugs.

Person on motor boat were TDY and civilians I do not recall any of there names they were in air frame.

The person passing in front the camera with the short hair and sunglasses waving his hand is ~~me~~ me. (Dirty Dan).

Footage of chopper with tail section that tail section is from a crash. The crash was caused by the rotor coming off they brought the hub too me I took the cover off and the cotter key was missing.

The Rest of the people in the Video I don't Recall Their Names or Just didn't know.

Also there is some brief Footage of the tents in the area taken from the Beam. Well I guess you probably know the rest. So I'll close for now and get into a little more detail later. I'm off work today and want to get this in the mail as it is going to be a busy day. I would appreciate it if you would send me a copy of the movie you are making and at no charge.

Thanks
Dinty Dan
