This concerns your son, CPL Alfred J. Smith. The Army will return your loved one to a port in the United States by first available military airlift. At the port remains will be placed in a metal casket and delivered (accompanied by a military escort) by most expeditious means to any funeral director designated by the next of kin or to any national cemetery in which there is available grave space. You will be advised by the United States port concerning the movement and arrival time at destination.

Forms on which to claim authorized interment allowance will accompany remains. This allowance may not exceed \$75 if consignment is made directly to the superintendent of a national cemetery. When consignment is made to a funeral director prior to interment in a national cemetery, the maximum allowance is \$150; if burial takes place in a civilian cemetery, the maximum allowance is \$300.

Request next of kin advise by collect telegram addressed: Disposition Branch, Memorial Division, Department of the Army WUX MB, Washington, D. C., name and address of funeral director or name of national cemetery selected.

If additional information concerning return of remains is ~~desired~~ desired you may include your inquiry in the reply to this message. Please do not set date of funeral until port authorities notify you date and scheduled time of arrival destination.
