

The 101st Airborne Division Vietnam Veterans Color Guard
L to R Lucky Harper, Wally Morrow, Frank Lohr and Larry Senko

It has been our desire to develop our own Color Guard to post our Colors in the massing of colors at the Vietnam Veterans Reunion in Melbourne Florida. This year we finally made it..

Our flag has been temporarily replaced by the Gold and blue Airborne Air Assault flag because of the theft of our Organizational flag, the 101st Airborne Division Vietnam Veterans. We will have a new flag by next year and our own colors will be posted by our own Color Guard.

If you are willing to serve as backup for our Color Guard and stand in if one of our guys has a problem and can't make it. Contact our Secretary - Treasurer and Newsletter Editor Johnnie Lindsey.

Lets all make a concerted effort to keep our Color Guard in the Ceremonies at Melbourne.
