Dick

Sorry about the delay on  
the Pictures + Donation for the  
news letter. We have been  
busy with life like all of us,  
we had a new granddaughter in  
December - #4 + we are very happy  
about her. Spring is coming  
soon to MD. + I am getting  
fatigued with winter. The pictures  
are numbered on the back  
with a brief description on each.  
I will keep in contact
