19 OCTOBER 1967 TO 3 JANUARY 1968

he actively participated in more than twenty-five aerial missions over hostile territory in support of counterinsurgency operations. During all of these flights, he displayed the highest order of air discipline and acted in accordance with the best traditions of the service. By his determination to accomplish his mission, in spite of the hazards inherent in repeated aerial flights over hostile territory, and by his outstanding degree of professionalism and devotion to duty, he has brought credit upon himself, his organization, and the United States Army.
