

UH-60 BLACK HAWK
Utility Helicopter

Mr. Detra -

Thank you so much for all that you do for the Blackwidows - past & present! We received the Spider T-shirt and are currently taking orders. Several people are interested in them.

Thank you ^{also} for the cool signs for our helicopters. Do you think you could email those to me also? A lot of the soldiers want to make them for themselves. We are currently on a short glide slope for deployment - we leave in mid Oct. Everything is moving fast now.

We are excited to be a part of such a great organization. Thank you for everything you do for us!

Sincerely, Melma Jones
