RRR

Royal Rat Fuch

guns

With always led
187d ea state
- 1884 - standby

William Witwicks Spider 53

67-68

~~Enterprise, Al.~~

Spider 53

Enterprise, Al.

+ H6109 + came other side

SHOOT-DOWN

Bill Witwicks

706

Enterprise, Alabama

Sites - an idiot

- F100 -

flying a slick to Saigon

Crew of four - ASH & TRASH

were coming back -

NIS - not in stock -
made arrangements

flew over Cu Chi - Ho Bo Woods

- Heavy

C & gunners started firing at 1500' find - 176'

Right side - firing at a stream - called cease fire
watched (Reed Phillips) R & R together

F100 went under them - jerked up - punched out
parachute - went down - MAYDAY -

another slick came in and got him and got a medal

(17)

saw tracers - talked to the Ops officer - decided
flight plan - wrote on the back - free fire zone
air force operation -

Left Campbell

Wtf wechi
input

-66109

used a stick to go first
then used the air
no gunner STALLY →
the gunner and crew chief
had to run along side and
jump.

BIG TEX

713 / F. Dogs
713 / Scott

706 - HOG

problem with
wiring

707 / med. Air

WI

door gunner

south → North

Super Saber East to West

FIDO → headed for the border

Bandits

Tet - = (13 Feb 67) = 118th AHC - slicks → 300 hrs in
3 months
to make
A/c

~~188th DEROS - 10~~

had A/c

Dau Tang #10 area

6 months - slicks
" guns

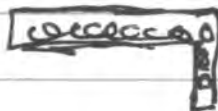

~~Bandits from the
flew Wofford around~~

no revetments - told Wofford

grabbed his bar - You're. Mr. Wichewski you are nothing but a WO1
Bn. was an idiot - Bn. you will not make
perimeter defense -

LT. Glass - and WO and SP4 - PFC
not of how I want it done

Glass said to tear down the bunker
went back to the flight line -

7 complete totals

3rd platoon Kerbl.

CO and XO relieved
of the duty Runger - took
Command of
the 73rd

issued Machetes

machine and a thousand rounds under bunks
(sappers)

3 guys in the wire -

6 bunkers -
crying - 1LT glass

2 1/2 platoon assigned to us

no clickers
