①

Dear Mom and Dad:

I got three letters from you so far. Sure am glad to hear from you. Happy mothers day, sorry I am late telling you but I just remembered it. Sure was sorry to hear about grandma. I am glad I got to see her when I did. Sure will be glad when everyone also starts writing. I am leaving here today to go to a place called foo loo for a week of training and then will return back here so keep writing here and they will hold my mail

until I get back. I will  
keep writing while on training.  
You said you were sending  
some cookies and stuff. I  
won't get either until I get  
back here I guess.

I don't think this place is  
on the map because I couldn't  
find it either. All Dau Lien  
is is a Vietnamese Village  
out in the middle of the jungle.

Its not any large town or  
anything like that. I can't  
say how many men are here  
or exactly how big this place  
is but there are 4 guys here  
with me from Ft Custer and  
another was sent to another  
Company.

(2)

Finally got to the other  
Company ~~the~~ today, Sure  
is nice ~~Compared to~~  
~~what our Company is~~  
~~like~~. I a living in  
a barracks with  
genuine bunks with  
mattresses and its even  
got a club to go to at  
night. I am only going  
to be here for a week  
for some training and  
then return ~~back to~~  
~~my Company at Dau Lieng~~.  
We even have a TV  
in the barracks to  
watch. ~~the~~ Its rather  
nice Compared to the

other place.

I got a package from Slim and Marine today.

It was crammed with candy bars and a whole case of Kool Aid. Sue was nice of them to send all that stuff.

I'll write and thank them for everything.

I am going to be flying over here I can't get into maintenance. Not now anyway, maybe later on.

The rainy season is about here I think because we've been getting a lot of it lately.

③

So while I am here  
go ahead and send your  
mail to my original  
address ok? I'll get it  
when we get back.

I still can't believe  
that Roger got married.

Where are they going  
to live now? Sure

hope he is around  
when I get home.

I guess Greg will be  
home in a couple of  
weeks now. Sure  
wish I could see him  
again. Tell him hello  
when he comes up.

I am going to be

sending some film  
home for you to develop  
that I have been  
taking over here they  
are all slides so they  
should be good. I better  
send them before the  
weather ruins the  
film.

Well I think I will  
go take a show now  
so take care now and  
don't worry about me  
OK? OK.

Love and kisses  
to all of you  
Ron.
