Dear Mom + Dad:

Got your letter yesterday
so I thought I would answer
it. I got the cookies and they were
real good as usual. Maxine sent
some to. Along with some Candy.
I've got so much candy that I
haven't eaten yet I am running
out of room in my locker next
to having three coffee cans in
there with all my clothes and
flight equipment. Did you get
the money orders I sent home
and did you have any trouble
cashing the one hundred dollar one?
Sure hope they make it home.

From now on when you
write put the number 135
on the outside of the envelope.
They are sorting our mail by
number so they can get it
out faster. Every man has a
number. Did you ever get

that third roll of film
I sent? Be sure and send
me some film for my camera
because I can't get any
anywhere. Could you also
buy me some rain clothes
like the ones dad bought
for Rick. The monsoons are
here and it rains like
mad all we have is a
canas with a place to
put your head through
and it just hangs down
over you. Its a pain in the
butt to wear, all it is is a
poncho. The water runs down
into your boots and down
your pant legs. Get the pants
as short as you can no shorter
than 29" waist about 29 or 30.
How did the pictures turn out
that I took over here? Sure
am curious to know.

There is one picture of me
in my helicopter in the
last roll I took and another
of another guy working on his
putting on wind shield wipers.
They were taken right after
the ships got here.

oh another thing I need is
a ~~wallet~~ ~~to~~ ~~holder~~ (wallet)

Bill fold mine fell apart. I
think I had one in the
bottom drawer of my chest when
I left during Christmas. Was a
new one someone gave me.

my leather watch band rotted
and fell apart so I got a metal
band for it. The face of my
watch is starting to rust to.

It still draws moisture when it
rains and o fogs up. Guess greg
should be home now has
he been up yet. Show him

the pictures when he
does. I think I am going
to change my R&R to hawaii.
me and another guy are going
together if we don't get split
up. Next month they are
having another infusion and
some of us will be going
to other companies. Don't know
who yet. But I am going to
hawaii if I can get it
changed instead of Thailand.
It would cost more but will
be alot nicer.

Well guess I better get to
bed its 10:30 Sat night.

We have another C.A. tomorrow
and I might be flying so better
get some rest.

Let me know if you get
the money and how the pictures
turned out. Especially the ones
over here. Write soon Love Ron.
