

Dick,

I will gather any information that I have and will send it to you. This includes over 300 slides that I will put on CD's. The first one is enclosed with a short description and date.

Also a group of us went to officer basic, jump school, at Ft Benning, Ga, flight school at Ft Walters, Tx. and Ft. Rucker Al. then to Ft. Campbell, Ky. See you later.

Thanks:

Bob Janes

Dick:

Here is another disk of 80 pictures. They are not in the right order of dates as they happened. Number 79 should be first and 000 should be last. Some of the pictures have names, the ones that I can remember. Have a good time looking at them and more to be sent.

Thanks  
Bob Janes
