DICK DETRA

BRISBANE, CA.

DICK,

I WAS WITH USN-MCB-4 (UNITED STATES NAVY -
MOBILE CONSTRUCTION BATTALION 4) AND WAS AT
LZ SALLY BETWEEN FEB AND OCT OF 1968.
WE WORKED ON ROUTE ONE AND THE
AN LO BRIDGE, WHICH WE BUILT. WE WERE
RIGHT INSIDE THE GATE. ACROSS FROM US WAS
THE MP'S. I THINK IT WAS THE EAST GATE I AM
NOT POSITIVE. TO THE WEST WAS THE AIR STRIP
AND NORTH OF THE WERE MOTORIZED LOS'S AND THE
DOG HANDLERS. WE HAD A PIT WE HAULED DIRT
FROM THAT WE REACHED BY GOING THROUGH THE GATE
PAST THE MP'S AND OUT THROUGH FENCE AND NORTH
TO THE PIT. I WAS A HEAVY EQUIPMENT OPERATOR
AND RUN A MOTORIZED SCRAPER HAULING DIRT FROM
SALLY TO HUE, AND THE AN LO ~~BRIDGE~~ BRIDGE.
WHEN YOUR MAP IS COMPLETE COULD YOU
PLEASE SEND ME A COPY. THANK YOU.
