Cherry Boy:

Damn, I'm not sure I can get used to calling you that. I know that just like me you got your "cherry" popped quite early in the Nam. Oh well, Cherry Boy it is.

On my "mosheen" here I can print up 8 1/2 X 11 photo quality glossy or matte prints. That be what you be needing? Just tell me glossy or matte and update your snail mail address for me and you got it brother.

Now there is something you could do for me if you would??? If you or any of your "fly boy" cohorts have any short stories, poetry, general bullshit or just plain old blatant lies that you're willing to let me put on the new website would you please E-mail them or have them E-mail them to me???? Proper credit definitely will be noted and I've already included a statement/warning on the website for those weak-hearted souls that I most definitely do not believe in editing. So lay it on me!!! I think it's way past time we get the **REAL** story out!!!!!!!!!!!!!!!!!!!!!! Se-e-e-e-e Ya-a-a-a!
