Thanks Dick, Adams is a good man he was involved in an accident at Dautieng  
I dont want to remind him , His wife would send him a care package and he  
would throw goodies to the kids. He was doing that one afternoon and was  
also using a detonator for a claymore to boost his grip the kids were having  
a great time hanging out in front of bunker 3 when it was time to plug in the  
Claymores for the night , as he plugged in the detonator he justbused to  
strengthen his grip the claymore in front of 3 blew he was so disraught  
I  
dont know how he didnt kill himself
