

Dear Captain DeCrane
C.O. A 9/01 Black Widows,

Sir, I just received confirmation
on the patch for our Black Widow Huey.
This size is 8" x 4". So whatever
decal the 101st A.D. has that is this
size or a close enough size should
work. Did you have a chance to find
out what sizes are being used on
huey's and Black Hawks today? Get
back to me when you can.

Thanks Again,

Guns Up
