I'm sorry it's taken me so long to respond; a couple of unexpected deployments, a couple more expected, and a new Bde Commander with a new way of thinking, have kept the Blackwiddows extremely busy. It was great to hear from you and hope all is well.

Also great to hear about the restoration of the Huey. We'd be more than happy to help with the decals; need the specifics (size, color, etc) to make sure we get you the right ones. Please give me a call @ either work, [redacted] or home, [redacted] or FAX the info to [redacted]. We'll get them

to you as soon as we can. Look forward to hearing from you soon; the Blackwiddows remain the pride of the Division!" I'll also find out about the HCB site, and how to be included in your news-

letter. Once things settle down, we would also like to host another "Gathering of Eagles."

Take Care,
Shawn DeCore
