

Commanding Officer
Alpha Company 9/101st

Dear Captain Sharon DeCrane,

Received your letter. . . . Thank you for volunteering to help with the 101st decals for our UH-1H 'Black Widow' Huey which is being restored at the Pacific Coast Air Museum in Santa Rosa, California. At this point we believe the 101st decal was 12" to 18" in size. It was located on both sides of the tail pylon. What sizes are available? I'm waiting to hear from another source, but wanted to touch base.

We need the mailing address of the Black Widows, phone [REDACTED] FAX [REDACTED]. Our next newsletter will be coming out in November. When you complete your WEB page we want to link both of our WEB pages. Ours is:
<http://interoz.com/blackwidows/>

We have mentioned on our WEB page your unit as the present day BLACK WIDOWS.

Please FAX mailing information so we can get your unit added to our mailing list.

Hope to hear from you soon

Yours VP
Dick Detra
