Dick,

I received your package yesterday, that's really good stuff. I can't tell you how much I appreciate you sending it. The guys really like it. Already we^{are} making plans to frame some of it and put our history book together. Enclosed is some present day BLACKWIDOW history and also 9th Battalion history. Also some stickers and a patch for you, and some emblems my ISG scanned for you. When^{you} get here in July we will have BLACKWIDOW baseball caps for you guys. If you can tell me names/nicknames of those coming we will have it put on the cap. Also enclosed are the maps and some local area information. I hope they are of use to you. If there is anything else I can do for you, do not hesitate to ask. I'm still trying to get the ~~the~~ schedule of events for the 3 days that you will be here.

I'm looking forward to meeting you and the other BLACKWIDOWS, see you soon.
