

DEPUTY FOR CORDS TO COMUSMACV

TO: LARRY FLANAGAN  
USAID/ECON, USAID I

Appreciate receiving copy of your comprehensive report on province economic controls -- very enlightening.

Since Ambassador Komar is fighting to relax controls, I've shipped your tome on to him. It all adds up to a horrible story. No wonder local officials don't have time to help the people.

R. M. Montague  
Col Arty
