

To the historian:

This collection of letters covers the period from my appointment as 75th Ranger Regiment Assoc representative for Co E (LRP) / Co C (Rngr) until the culmination of the official formation of the Co E (LRP) & Co C (Rngr) Assoc.

It chronicals, in many cases, the first contact many of our ^{veterans} had had with another Co E (LRP) or Co C (Rngr) veteran.

also, many of these letters contain significant personal accounts of events in Vietnam.

Most of the letters are in response to the newsletters I sent out to our veterans before the formation of our association.

(They should pretty much be in chronological order with the most recent on top.)
