Mark,

Thanks for the great pictures! Malone told me that one night some of the officers from E/20 took Frank the baboon to the 4th Div Officer's Club. They sat him up on their table and got him drunk. Malone said he loved beer. He said they almost had to fight their way out of there after giving the 4th Div 'laigs' so much grief. He said no one else in the Company ever knew about it. And the Officers talk about us raising hell!

In reference to the Ranger Assoc. approval of the tab for us, I think Boatman told me that everyone had approved except for Col. Jackman and that he was the only holdout! I hope they fry his ass!

Thanks again.
