Daniel,

The only verification I have of my service in C-75 is a copy of my 2-1 form. That shows all a man's assignments (units) throughout his career. I brought it with me, along with the photo, albums, down to the get together. The morning after I arrived I showed it to you for membership verification. You said that would do. If you still need some verification for the record, let me know and I'll have a copy made.

I'm still waiting for the paper work to get on Jerry's visitor list. I sent him another letter recently giving him my phone # & asking what items he would like to receive in care packages, etc. So far I haven't received a reply. He did write me a

letter earliest & cleared up my mis-understanding of his situation about his membership status (I didn't know he was already a member). He already is in touch with a number of the guys. I didn't know that either. Anyway I hope to see him soon and will do whatever I can to help out.

Things are still up in the air as far as going to the Ranger Rendezvous. Of course I'd like to go but I still haven't finalized my plans. It all depends on finances, which, at this time, are slightly improving. Anyway I'm hoping to see you there.

Halby.
