Rocky to LZ Daniel... sitrep... currently in Marguerite Co. jail for possible parole violation. Doesn't look too bad as the herd association, especially Cal. Kenneth Smith is really going to bat for me. Anyway been here since a 3 Jan. but didn't have any addresses. I'm not sure but my dues may be due. I paid them 11/95 but I don't know if my 96 dues are due or not, please advise, it so I've said them in as soon as I am able - get out of jail... in the mean time do lose me back to long to find home? Now, I'm just joking I know you guys won't forget me. Any, everyone concerned, even my P.O., is trying to get me info Rochester where they have a PTSD program and from there to Tomsah. I want to move to Tomsah so I can be near the hospital and also Rochester. The home of the herd where I have alot of friends and support. From what I understand there are alot of guys in that area who wear on their 875 with me. That would be nice, now if there were some Rangers in the area it would be perfect. Do you know of any? Hell, I just got a new roster from Marsworth, I'll look and see. Boy this being locked up, off my meds etc. has really got me Fucked up. Any brother just want to let you know what's what. You can still get a hold of me via Kelly. Just send any word -
